Eclipse Awards Returns as the Official Awards Provider of the PGA of BC

Vancouver, B.C. (March 24, 2010) - The Professional Golfers' Association of BC is proud to announce Eclipse Awards will be returning as the Official Awards Provider of the PGA of BC for the second year. In 2009, Eclipse Awards provided elegant crystal trophies and awards to the winners of each PGA of BC Championship.

"We are very happy to have Eclipse Awards once again involved with the PGA of BC," said Brian Butters, PGA of BC Executive Director. "The quality and craftsmanship of the awards Eclipse provides are unparalleled. And we love the fact that Eclipse is highly committed to environmental sustainability. This just adds to the beauty of their awards."

Eclipse Awards has introduced a green golf product line to their collection of brilliant crystal and glass awards for the 2010 season. From tee off to the 19th hole, they have a golf award to suit every tournament.

"We at Eclipse Awards are very excited to continue our partnership with the PGA of BC," said Nelson Borges the Recognition Guru at Eclipse Awards. "We look forward to taking PGA of BC members' golf events to the next level with 16 new crystal golf awards, including three new Golf EcoAwards."

Beautiful craftsmanship, responsive service and reliability are the fundamentals of Eclipse Awards' company mission. Yet how they treat the environment, the way they contribute to their community, and the health and happiness of their team are all equally important considerations.

Eclipse Awards believes their role is to consistently deliver on the promises they make to their clients, and in doing so, make decisions that respect the environment, use resources efficiently, and minimize waste. Eclipse Awards strives for simplicity over complexity every time.

Eclipse Awards joins a distinguished list of companies with their continued corporate sponsorship of the PGA of BC. The PGA of BC looks forward to a rewarding green 2010 golf season with Eclipse Awards as a valuable member of the team.
