If, before the competition, a player has doubt as to the conformity of a club, PGA Section officials will attempt to determine the status of the club(s), but play will not be delayed in doing so. There will be no on-site field testing for groove conformity at Event Qualifying. If the club (s) in question is not listed on the public database listing conformity of clubs, the club shall not be used in the competition. In the event that it is discovered that a player's club(s) do not conform after the close of the competition, the provisions of Rule 34 of the Rules of Golf shall apply.
