2017 CONDITIONS OF COMPETITION & STANDARD LOCAL RULES

The player's attention is drawn to Conditions of Competition as printed on the forms accompanying applications for entry. Complete text of Rules and Appendices may be found in the 2016 Golf Canada Rules of Golf.

Unless otherwise specified, the penalty for a breach of a Local Rule or Condition is:

Match Play – **Loss of Hole**
Stroke Play – **Two (2) Strokes**

SECTION A: CONDITIONS OF THE COMPETITION

- 1. Specification of the Ball** - The ball the player plays must be named on the current List of Conforming Golf Balls recognized by Golf Canada (see Note to Rule 5-1). The current List of Conforming Golf Balls is available in the Tournament Office.

Penalty for Breach of Condition:
Disqualification

- 2. Specification of Driver Head** - Any driver the player carries must have a clubhead, identified by model and loft that is named on the current List of Conforming Driver Heads recognized by Golf Canada (see Note to Rule 4-1). The current List of Conforming Driver Heads is available in the Tournament Office.

Penalty for Breach of Condition:
See Penalty Statement for Rules 4-1 and 4-2

- 3. Discontinuance of Play** - The Note to Rule 6-8b is in effect. The course and all practice areas are closed when play is suspended for a dangerous situation until the PGA of BC Rules Committee has declared them open. Players who disregard closed practice areas will be subject to disciplinary action.

Note: A suspension for a dangerous situation will be signaled by one prolonged air horn note. All other types of suspension will be signaled by three consecutive air horn notes. Resumption of play will be signaled by two short air horn notes.

- 4. Practice** - Prior to and after his round in stroke play, a player may practice on the designated practice areas. A player may not practice on or near the putting green of the hole last played or roll a ball on the putting green of the hole last played (see Note 2 to Rule 7-2).

SECTION B: LOCAL RULES

1. Abnormal Ground Conditions: Rule 25

Ground Under Repair includes:

- a. Areas defined by white lines;
- b. French Drains filled with stones;
- c. Seams of Cut Turf – Through the green, seams of cut turf (not the turf itself), are deemed to be ground under repair. However, interference by a seam with the player's stance is deemed not to be, of itself, interference under Rule 25-1. If the ball lies in or touches the seam or the seam interferes with the area of intended swing, relief is available under Rule 25-1. All seams within the cut turf area are considered the same seam for the purposes of re-dropping (Rule 20-2c).

2. Embedded Ball Through the Green - The Local Rule in Appendix I, Part A, Section 3a is in effect. Note these Exceptions:

- a. A player may not take relief under this local Rule if the ball is embedded in sand in an area that is not closely mown.
- b. A player may not take relief under this local Rule if interference by anything other than the condition covered by this local Rule makes the stroke clearly impracticable.

3. Obstructions: Rule 24

White lined areas tying into artificially surfaced roads, paths or obstructions are deemed to have the same status as the road, path or obstruction and are not ground under repair.

4. Turf Plugs on Putting Greens – On any putting green, turf plugs of any size have the same status as old hole plugs and may be repaired under Rule 16-1c.

5. Wood Chips and Mulch – Wood chips and mulch are loose impediments.

6. Integral Parts of the Course

- a. Wrappings, wires, cables and other similar objects when closely attached to trees
- b. Artificial walls and/or pilings when used to define the margin of bunkers. Such walls and/or pilings are through the green.

7. Permanent Elevated Power Lines or Cables - If a ball strikes a permanent elevated power line or cable, the stroke MUST be cancelled and the player must play a ball as nearly as possible at the spot from which the original ball was last played, in accordance with Rule 20-5.

8. Temporary Obstructions – The Local Rule in Appendix 1, Part A, Section 4b is in effect

9. Distance Measuring Devices - For all PGA of BC events, the local Rule in Appendix I, Part A, Section 7, is in effect. A player may obtain distance information by use of a distance-measuring device.

10. Water and Lateral Hazards – When a water hazard or lateral water hazard is defined on only one side, it is deemed to extend to infinity. When a water hazard or lateral water hazard is bounded by out of bounds, the hazard margin extends to and coincides with the out of bounds line.

Note: Dropping Zones for water and lateral water hazards: Where there are dropping zones for water or lateral water hazards a ball may be played under Rule 26 or may be dropped in the dropping zone nearest to where the original ball last crossed the margin of the hazard, under penalty of one stroke. For provisions relating to dropping or re-dropping a ball in a dropping zone, see the Local Rule in Appendix 1, Part A, Section 6.

11. Out of Bounds: Rule 27

- a. When white stakes or fences are used, the out of bounds line is determined by the nearest inside points of the stakes or fence posts at ground level, excluding angled supports.
- b. When a white line is used, the line itself is considered out of bounds
- c. A ball that crosses the inside edge of a road or curb defining out of bounds, and comes to rest beyond the road or curb, is out of bounds, even though it may be on another part of the course.

12. Environmentally Sensitive Areas: Appendix 1, Part A, Section 2c

An environmentally sensitive area is an area so declared by an appropriate authority, entry into and/or play from which is prohibited for environmental reasons. These areas may be defined as ground under repair, a water hazard, a lateral water hazard or out of bounds at the discretion of the Committee provided that, in the case of an environmentally sensitive area that has been defined as a water hazard or a lateral water hazard the area is, by definition, a water hazard.

Note: Play from an Environmentally Sensitive Area is strictly prohibited. Breach of the Local Rule: two (2) strokes.

PGA OF BC'S PACE OF PLAY POLICY – STROKE PLAY EVENTS

Rule 6-7 of the Rules of Golf states in part: "The player shall play without undue delay and in accordance with any pace of play guidelines which may be laid down by the Committee."

The following are PGA of BC's Pace of Play guidelines to govern stroke play events in 2016:

- For stroke-play events, play will take place in threesomes wherever practical. It is expected that players within a group will communicate with each other in order for the day's pace of play to be achieved.
- A "time par" will be established for each round, specifically calibrated in collaboration with the host venue.
- Groups may be timed by tournament officials. Those groups not meeting "time par" will be warned by tournament officials and advised to pick up their pace of play to avoid potential penalties.
- Groups may be timed further throughout the round if pace continues to be an issue. Times will be marked by the moment the flagstick is replaced in the hole.
- **OUT OF POSITION DEFINED:** The first group to start will be considered out of position if, at any place during the round, the group in question exceeds the allotted time to play, as detailed on the hole location sheet.
- Any subsequent group will be considered out of position if, at any time during the round, the group in question (a) exceeds the allotted time and (b) reaches a par-4 or par-5 hole and have not played a stroke from the teeing ground before the hole is open and free of play. If a group finishes in position relative to the group ahead **and** completes its second nine holes within time par, it will not be subject to penalty. (This protects groups who have been held up by slow play of groups ahead of them on the golf course.)
- **TIMING PROCEDURE:** Once a group is determined to be out of position, players in the group may be timed. Other than on the putting green, the timing of a player's stroke will begin when it is his turn to play and he can play without interference or distraction. Time spent determining yardages will count as time taken for the next stroke.
- On the putting green, timing will begin after a player has been allowed a reasonable amount of time to mark, lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments on his line of putt.
- **NOTE:** A player is permitted 40 seconds to play a stroke, and an extra 20 seconds (for a total of 60 seconds) will be allowed for:
 - The first player to play a stroke on a par-3 hole
 - The first player to play a second stroke on a par-3 or par-4 hole
 - The first player to play a third stroke on a par-5 hole
 - The first player to play a stroke around a putting green
 - The first player to play a stroke on a putting green
 - Any player in a group being timed, who exceeds the applicable time to play a stroke, will be informed as soon as possible.
- Players will be subject to penalty for violation of the pace of play guidelines. The player deemed to be slow will be liable to a 1 stroke penalty for their first breach. Subsequent penalties will escalate, if the same player has a second breach, he/she will be assessed a 2 stroke penalty. If there happens to be a third breach, the player will be subject to disqualification.
- Appeals of penalties must be made immediately to the Tournament Committee in order to be considered. The Tournament Committee's ruling will be considered final.
